To whom it may concern:

J.E. Jackson has worked with us on many commercial projects throughout the state of Florida, since 2004. Ms. Jackson is easy to work with, reliable, and completes her tasks in a timely manner. Her crews are efficient, well-organized, and have done a thorough job on all our projects.

Ms. Jackson has partnered her services with Window Cleaning Companies, as well as a Floor Cleaning Division. She works with these same sub-contractors on each jobsite. Our superintendents know they can make one call to Ms. Jackson, and she will have the various cleaning stages scheduled as requested. Joan is excellent with follow-up to make certain that the work is progressing on-time, always delivering a well-completed job, as initially promised.

We look forward to working with Joan for many years to come and highly recommend her company to anyone requiring a high standard of work, professional work ethics, and honesty.

Sincerely yours,

Mark J. Pehonsky
