OF FLORIDA INC.

To Whom It May Concern:

J.E. Jackson and Associates, Inc. has just completed the rough and final clean for the Jacksonville Courtyard Marriott. We are extremely pleased with her performance on this project. This was our first experience working with Joan and after observing her first day on the job, it was apparent that we would receive the spotless, thorough job that she had promised. She and her employees are detailed, organized, professional and very reliable. She holds her crew and subcontractors accountable to our standards and schedules we had set with her.

Ms. Jackson was diligent in her efforts to communicate and be available to our field personnel. She kept us advised of her progress and was flexible with our scheduling changes. Her crews are efficient, worked well with the other trades, and a pleasure to work with.

We enjoyed working with Joan and are discussing our future opportunities with her. We highly recommend her company to others who require honest, tenacity, timeliness, professionalism, and teamwork to ensure a successful completion of the project.

Sincerely yours,
PINKERTON & LAWS OR FLORIDA, INC.
